Treasurer's Report 2022/23, AGM 28th Sept 2023

Presenting the Financial Statements for the Year Ending 30th June 2023. These accounts have been reviewed by an independent accountant.

The WPS made a loss of \$2,679 for the year to end June 2023.

Membership subscription income and membership is slightly down compared to the previous year. My personal view is that while membership will fluctuate there is still keen interest in the society's activities.

The rent cost has increased compared to the previous year, and the cost would have been more, except steps were taken to mitigate such as reduced storage use in the hall.

The Society's annual charities application is due in December 2023.

I would like to thank all members for their continued support of WPS. I would also like to extend a warm welcome to any new or recently joined members present and to encourage you to please feel free to contact me at any time.
